## Grand Gala

30th Anniversary

### **PARTNER WITH US FOR A GRAND CAUSE!**

On Wednesday, October 9, 2019, Abilities in Motion is hosting a 30th Anniversary Grand Gala at the DoubleTree by Hilton Hotel in Reading, Pennsylvania. Net proceeds from this event will be used to benefit individuals with disabilities across Pennsylvania. We're looking for individual and business partners to go the distance with us as we plan for a grand future of another thirty years, and beyond. *We BEE-lieve All Things Are Possible!*

#### **Why Partner with AIM?**

This year marks AIM's 30th anniversary of serving individuals with disabilities. In 2018, AIM served over 3,700 individuals with disabilities. AIM opened offices in Wyomissing and Philadelphia, further expanding our reach. AIM educated and mentored over 500 individuals in our Center for Independent Living (CIL). AIM also expanded the Youth Transition Programs...and we have so much more to do. *We need your support to make this possible.*

#### **As an Event Sponsor**

You will be recognized for your generosity and participation. See the *Sponsorship Opportunities* form enclosed to select your level of support. You can also visit us online at [www.abilitiesinmotion.org](http://www.abilitiesinmotion.org) for more information about event partnership. Your sponsorship will let our 250 guests know that you—your company— shares AIM's commitment to empowering individuals with disabilities to lead independent, fulfilling lives on their own terms. Event sponsors and guests will be treated to a cocktail reception, gourmet dinner, a grand evening full of exciting fundraising opportunities, an inspiring keynote speaker, and must-see entertainment. Event sponsors will receive promotional advertising prior to, during, and after the event. Event sponsors will also receive thanks and recognition during the event: Reception Signs, Event Program, Table Signs, Event Projector Screens, and verbal thanks from podium. The event will prove rich in thanks and celebration for all the good that has happened...and what's to come!

CALL TODAY to partner with Abilities in Motion for this grand event. *I look forward to hearing from you soon.*

Sincerely,

*Amy Pletz*
